The Sixteenth Annual Field Trials of the National Beagle Club of America will be held at Stevenson, Baltimore County, Maryland, during the week commencing October 30th, 1905.

Stevenson is in Baltimore County, Maryland, about twelve miles from the City of Baltimore, and is reached from the Union Station, Baltimore, on the Green Spring Branch of the Northern Central Railroad, Baltimore Division of the Pennsylvania Railroad.

The Headquarters of the Club during the trials will be at Avalon Inn, Stevenson, Baltimore County, Maryland.

The rates for all other persons will be as follows: Per week, fifteen dollars. Per day, two dollars and fifty cents.

It is the desire of the Club that all beagles entered in the Trials should arrive at Stevenson not later than Saturday evening, October 28th, 1905, in order that the necessary preparations may be made for an early start on Monday morning.

The Club would deem it a favor if you would notify the Secretary, as soon as possible, whether you will attend the Trials, and what number of beagles you will enter, so that the committee can arrange Hotel accommodations for you and accommodations for your dogs.

or an extended pedigree, so far as can be obtained, submitted to the Field Trial Committee.

It is expressly understood and agreed that the National Beagle Club of America reserves the right to reject the entry of any dog or bitch that, from the best information obtainable and according to its judgment, is not a pure bred Beagle.

Entries for different classes close at the time stated in the conditions. All entries must be filled out in full on blanks furnished, and mailed to Field Trial Committee as per address on entry blank not later than October 16th, unless otherwise provided for.

The stipulated forfeit money must, in every case, accompany entries. No exception to this rule will be granted.

When shipping notify express company that dogs are for competition. This will insure shipment at single instead of double rates.

All dogs sent by express, as well as all others, will be cared for under direction of the Club. Competent handlers will be on hand to handle and run dogs in trials, in case the owners fail to reach the place of meeting on time.

It is expressly stipulated and understood, however, that the National Beagle Club of America does not hold itself responsible for loss or damage done to any dog sent to its care.

Dogs must be at the place of meeting before 12 noon on October 29th, 1905.

NATIONAL BEAGLE CLUB
OF AMERICA.

PREMIUM LIST

of the
Eighteenth Annual Field Trials

to be held at
SHADWELL, VIRGINIA,

Beginning
October 25th, 1907.

Entries Close October 14th, 1907.

THE NATIONAL BEAGLE CLUB OF AMERICA

CAMDEN, N. J., October 1, 1907.

The (Eighteenth) Annual Field Trials of the National Beagle Club of America will be held at Shadwell, Va., commencing on ^{November 5, 1900} October 25th, 1907, and continuing until all the classes have been run.

Shadwell is in Albemarle county, Va., about four miles east of Charlottesville, twenty miles west of Gordonsville, Va., and one hundred and ten miles southwest of Washington, D. C., on the Chesapeake & Ohio Railroad, and is reached from Washington by through train to Gordonsville or Charlottesville, and there changing for the local train for Shadwell.

The headquarters of the Club during the trials will be at "Hunters' Hall," the property of Mr. H. A. S. Hamilton, about one mile from the railroad station at Shadwell.

The rates during the trials will be two dollars per day. Good kennel accommodations and feed for the beagles will be furnished by the Club.

The trials will start on Friday morning, (October 25th), with the running of the Pack Stakes. It is necessary therefore that all dogs entered in these stakes should arrive not later than Thursday evening, ^{November 14th, 1907} October 24th, 1907. Dogs entered in the other classes and entries for the bench show must be on the grounds on or before Sunday morning, ^{November 17th, 1907} October 27th, at 10 o'clock.

In connection with the trials a bench show will be held under A. K. C. Rules on October 27th.

Premium lists for the bench show and field trials may be had upon application to the secretary.

Hotel accommodations can be secured in Charlottesville, Va., by those preferring hotel accommodations to the Club headquarters, the distance from Charlottesville to Club headquarters being about four miles.

The committee would deem it a favor if you will notify the secretary as soon as possible whether you will attend the trials, make the Club's headquarters your headquarters, and the number of beagles which you will enter, so that the committee may arrange accommodations for you and your dogs.

CHARLES R. STEVENSON,

Secretary and Chairman Field Trial Committee.

The headquarters of the Club will be at Hunter's Hall, the property of Mr. H. A. S. Hamilton at Shadwell, Albemarle County, Virginia, on the main line of the Chesapeake & Ohio Railroad, and about five miles from Charlottesville, Virginia.

Detailed information as to train service, etc., will be forwarded by the Secretary upon request.

The Adams Express Company is the only express company having an office at Shadwell.

The Western Union Telegraph Company has an office at Charlottesville, from which station messages are forwarded by telephone to Shadwell.

CAMDEN, N. J., September 15, 1908.

DEAR SIR:

The Nineteenth Annual Field Trials of the National Beagle Club of America will be held at Chase City, Virginia, commencing October 23d, 1908, and continuing until all the classes have been run.

Chase City is in Mecklenburg County, Virginia, about ninety miles from Richmond, and can be reached from the North, South or West from Richmond, Danville and Greenboro, by the Southern Railway.

The headquarters of the Club will be at the Mecklenburg Hotel during the trials. The trials will be held on the Mecklenburg Hotel Game Preserves, comprising about 25,000 acres of land.

The hotel rates during the trials will be from \$2.00 to \$3.50 per day, or from \$12.50 to \$21.00 per week, governed by the size and location of room, and whether or not private bath is attached. One wing of the hotel will be set off for the exclusive use of those attending the trials.

Kennel accommodations and feed for the dogs will be provided by the Club.

The trials will start on Friday, October 23d, 1908, with the running of the Pack Stakes. It is necessary, therefore, that all dogs entered in these classes should be at Chase City not later than Thursday evening, October 22d, 1908. Entries in the classes for single hounds must be on the grounds not later than October 25th, 1908, at 10 A. M.

Premium lists and entry blanks for both Field Trials and Bench Show may be had upon application to the Secretary.

The Committee will deem it a favor if you will notify Col. W. T. Hughes, Mecklenburg Hotel, Chase City, Va., as soon as possible, if you expect to attend the trials, and arrange with him for the location and price of your room, and also advise him of the number of dogs which you will enter, so that accommodations can be arranged for you and your dogs.

Saddle horses may also be arranged for through Col. Hughes, of the Hotel Mecklenburg.

Very truly,

CHARLES R. STEVENSON,

Secretary,

106 Market Street, Camden, N. J.

THE NATIONAL BEAGLE CLUB

OF AMERICA

Camden, N. J., October 1, 1909.

The Twentieth Annual Field Trials of the National Beagle Club of America will be held at Shadwell, Va., commencing on November 5, 1909, and continuing until all the classes have been run.

Shadwell is in Albemarle county, Va., about four miles east of Charlottesville, twenty miles west of Gordonsville, Va., and one hundred and ten miles southwest of Washington, D. C., on the Chesapeake & Ohio Railroad, and is reached from Washington by through train to Gordonsville or Charlottesville, and there changing for the local train for Shadwell.

The headquarters of the Club during the trials will be at "Hunters' Hall", the property of Mr. H. A. S. Hamilton, about one mile from the railroad station at Shadwell.

The rates during the trials will be two dollars per day. Good kennel accommodations and feed for the beagles will be furnished by the Club.

The trials will start on Friday morning, November 5th, with the running of the Pack Stakes. It is necessary therefore that all dogs entered in these stakes should arrive not later than Thursday evening, November 4th, 1909. Dogs entered in the other classes and entries for the bench show must be on the grounds on or before Sunday morning, November 7th, at ten o'clock.

In connection with the trials a bench show will be held under A. K. C. Rules, on November 7th.

Premium lists for the bench show and field trials may be had upon application to the secretary.

Hotel accommodations can be secured in Charlottesville, Va., by those preferring hotel accommodations to the Club Headquarters, the distance from Charlottesville to Club headquarters being about four miles.

The committee would deem it a favor if you will notify the secretary as soon as possible whether you will attend the trials, make the Club's headquarters your headquarters, and the number of beagles which you will enter, so that the committee may arrange accommodations for you and your dogs.

CHARLES R. STEVENSON,
Secretary and Chairman Field Trial Committee,
106 Market Street, Camden, N. J.

The headquarters of the Club will be at Hunter's Hall, the property of Mr. H. A. S. Hamilton at Shadwell, Albemarle County, Virginia, on the main line of the Chesapeake & Ohio Railroad, and about five miles from Charlottesville, Virginia.

Detailed information as to train service, etc., will be forwarded by the Secretary upon request.

The Adams Express Company is the only express company having an office at Shadwell.

The Western Union Telegraph Company has an office at Charlottesville, from which station messages are forwarded by telephone to Shadwell.

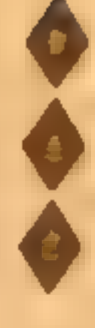

For all other information inquire of

CHARLES R. STEVENSON, Secretary,

106 Market Street, Camden, N. J.

THE NATIONAL BEAGLE CLUB OF AMERICA

Camden, N. J., October 1, 1910.

The Twenty-first Annual Field Trials of the National Beagle Club of America will be held at Shadwell, Va., commencing on November 10, 1910, and continuing until all the classes have been run.

Shadwell is in Albemarle county, Va., about four miles east of Charlottesville, twenty miles west of Gordonsville, Va., and one hundred and ten miles southwest of Washington, D. C., on the Chesapeake & Ohio Railroad, and is reached from Washington by through train to Gordonsville or Charlottesville, and there changing for the local train for Shadwell.

The headquarters of the Club during the trials will be at "Hunters' Hall", the property of Mr. H. A. S. Hamilton, about one mile from the railroad station at Shadwell.

The rates during the trials will be two dollars per day. Good kennel accommodations and feed for the beagles will be furnished by the Club.

The trials will start on Thursday morning, November 10th, with the running of the Pack Stakes. It is necessary therefore that all dogs entered in these stakes should arrive not later than Wednesday evening, November 9th, 1910. Dogs entered in the other classes and entries for the bench show must be on the grounds on or before Sunday morning, November 13th, at ten o'clock.

In connection with the trials a bench show will be held under A. K. C. Rules, on November 13th.

Premium lists for the bench show and field trials may be had upon application to the secretary.

Hotel accommodations can be secured in Charlottesville, Va., by those preferring hotel accommodations to the Club Headquarters, the distance from Charlottesville to Club headquarters being about four miles.

The committee would deem it a favor if you will notify the secretary as soon as possible whether you will attend the trials, make the Club's headquarters your headquarters, and the number of beagles which you will enter, so that the committee may arrange accommodations for you and your dogs.

CHARLES R. STEVENSON,
Secretary and Chairman Field Trial Committee,
106 Market Street, Camden, N. J.

The headquarters of the Club will be at Hunter's Hall, the property of Mr. H. A. S. Hamilton at Shadwell, Albemarle County, Virginia, on the main line of the Chesapeake & Ohio Railroad, and about five miles from Charlottesville, Virginia.

Detailed information as to train service, etc., will be forwarded by the Secretary upon request.

The Adams Express Company is the only express company having an office at Shadwell.

The Western Union Telegraph Company has an office at Charlottesville, from which station messages are forwarded by telephone to Shadwell.

For all other information inquire of

THE NATIONAL BEAGLE CLUB OF AMERICA

Camden, N. J., October 1st, 1911.

The Twenty-second Annual Field Trials of the National Beagle Club of America will be held at Shadwell, Va., commencing on November 9th, 1911, and continuing until all the classes have been run.

Shadwell is in Albemarle county, Va., about four miles east of Charlottesville, twenty miles west of Gordonsville, Va., and one hundred and ten miles southwest of Washington, D. C., on the Chesapeake & Ohio Railroad, and is reached from Washington by through train to Gordonsville or Charlottesville, and there changing for the local train for Shadwell.

The Headquarters of the Club during the trials will be at "Hunters' Hill", the property of Mr. H. A. S. Hamilton, about one mile from the railroad station at Shadwell.

The rates during the trials will be two dollars per day. Good kennel accommodations and feed for the beagles will be furnished by the Club.

The trials will start on Thursday morning, November 9th, with the running of the Pack Stakes. It is necessary, therefore, that all dogs entered in these stakes should arrive not later than Wednesday evening, November 8th, 1911. Dogs entered in the other classes and entries for the bench show must be on the grounds on or before Sunday morning, November 12th, at ten o'clock.

In connection with the trials a bench show will be held under A. K. C. rules, on November 12th.

Premium lists for the bench show and field trials may be had upon application to the secretary.

Hotel accommodations can be secured in Charlottesville, Va., by those desiring hotel accommodations to the Club Headquarters, the distance from Charlottesville to Club Headquarters being about four miles.

The committee would deem it a favor if you will notify the secretary as early as possible whether you will attend the trials, make the Club's headquarters your headquarters, and the number of beagles which you will enter, so that the committee may arrange accommodations for you and your dogs.

CHARLES R. STEVENSON,
Secretary and Chairman Field Trial Committee,
106 Market Street, Camden, N. J.

The headquarters of the Club will be at Hunter's Hall, the property of Mr. H. A. S. Hamilton, at Shadwell, Albemarle County, Virginia, on the main line of the Chesapeake & Ohio Railroad, and about five miles from Charlottesville, Virginia.

Detailed information as to train service, etc., will be forwarded by the Secretary upon request.

The Adams Express Company is the only express company having an office at Shadwell.

The Western Union Telegraph Company has an office at Charlottesville, from which station messages are forwarded by telephone to Shadwell.

For all other information inquire of

THE NATIONAL BEAGLE CLUB OF AMERICA

NEW YORK, October 1, 1912.

The Twenty-third Annual Field Trials of the National Beagle Club of America will be held at Shadwell, Va., commencing on November 7, 1912, and continuing until all the classes have been run.

Shadwell is in Albemarle County, Va., about four miles east of Charlottesville, twenty miles west of Gordonsville, Va., and one hundred and ten miles southwest of Washington, D. C., on the Chesapeake & Ohio Railroad, and is reached from Washington by through train to Gordonsville or Charlottesville, and there changing for the local train for Shadwell.

The headquarters of the Club during the trials will be at "Hunters' Hall," the property of Mr. H. A. S. Hamilton, about one mile from the railroad station at Shadwell.

The rates during the trials will be two dollars per day. Good kennel accommodations and feed for the beagles will be furnished by the Club.

The trials will start on Thursday morning, November 7th, with the running of the Pack Stakes. It is necessary therefore that all dogs entered in these stakes should arrive not later than Wednesday evening, November 6th, 1912. Dogs entered in the other classes and entries for the bench show must be on the grounds on or before Sunday morning, November 10th, at nine o'clock.

In connection with the trials a bench show will be held under A. K. C. Rules, on November 10th.

Premium lists for the bench show and field trials may be had upon application to the secretary.

Hotel accommodations can be secured in Charlottesville, Va., by those preferring hotel accommodations to the Club Headquarters, the distance from Charlottesville to Club headquarters being about four miles.

The committee would deem it a favor if you will notify the secretary as soon as possible whether you will attend the trials, make the Club's headquarters your headquarters, and the number of beagles which you will enter, so that the committee may arrange accommodations for you and your dogs.

RAMSAY TURNBULL,
Secretary and Chairman Field Trial Committee,
38 Wall Street, New York.

CLASS A Open, for dogs, all ages, over 13 inches and not over 15 inches.

RULES GOVERNING DOG SHOWS

(Copyrighted.)

(To take effect January 1, 1910.)

Amended February 19, 1912.

The following rules must be published in every premium list:

RULE I.

The word "dog" where used in these rules, includes both sexes.

RULE II.

A show is not recognized without the official endorsement of the premium list, signed by the Secretary of the American Kennel Club, published at the head of the classification.

RULE III.

SECTION A. Every show is guaranteed one point toward a championship, except as hereinafter stated. All shows are to be rated on actual number of dogs benched (dogs "for exhibition only" not to be considered benched); 1,000 dogs and over, 5 points; 750 dogs and over, 4 points; 500 dogs and over, 3 points; 250 dogs and over, 2 points; under 250 dogs, 1 point. Such shows as do not offer money prizes in every breed mentioned in their premium list shall not have a rating unless they have 250 dogs benched, when they shall have the regular rating as specified in this rule.

SECTION B. The Pacific Advisory Committee shall have jurisdiction in all States west of the easterly boundary of Montana, Wyoming, Colorado and New Mexico. All applications for membership and dates, and all communications, should be addressed to the Secretary of said Pacific Advisory Committee.

All shows authorized by them to be rated as follows: 400 dogs and over, 5 points; 300 dogs and over, 4 points; 200 dogs and over, 3 points; 100 dogs and over, 2 points; under 100 dogs, 1 point.

SECTION C. Specialty club shows confined to the breed represented by their club shall be rated at 4 points.

Specialty Clubs not active members may be licensed with the written consent of the parent club, and will be rated at two or four points as the parent club shall decide. If the consent of the parent club be not given within one month, or if a four point rating be refused, the applying club may appeal to the License Committee which may issue a license for a two or a four point show.
